

Have you
seen my
husband ?

No. Not here
Sorry ! Do
you know a
baker's
shop near
here ?

A human relationship includes:

- . *at least two people,*
- . some *needs* to be met,
- . some *goals* to be reached,
- . expressed in the framework of *commu-
nication,*
- . and some *exchange* between the
people concerned.

Here :

- . the needs are information requirement,
- . the woman intends to be informed by
the man on the place where she can find
her husband,
- . the man wants the woman to tell him
where he can find the nearest baker's
shop to buy bread.
